Activations per day this month

average 0 a day

Traffic

Bill payments	9
Sales per 10 bill payments	7.8
Store 1852 average	6.0

Boxes (activations + upgrades) for every 10 customers who came in to pay a bill.

Trending: where the month ends at this pace

Activations

6 of 6

✔ On track to finish at 110% of goal. Keep the pace.

Accessory Revenue

$85 of $155

▼ Trending to 55% of goal. Needs $73 a day for the last 1 day.

Projection = month to date ÷ share of the month gone (97%). Early in the month it swings a lot; it gets more reliable each day.

Goals: each store's monthly goal split evenly among the people selling there. Rate targets are the company's.
